ARREST RUMANIAN OFFICIALS -- Izmir, Anadolu, 14 Aug 51

Popescu-Doreanu has been Minister of Education since 23 April 1951/. Now, reports have leaked out that the dismissed minister was transferred directly from his office to the Shiles prison. The same reports reveal that a large-scale purge is under way in the Education Ministry, following denunciations by Roller to the Executive Committee of the Communist Party.

A reactionary bloc had reportedly been organized within the ministry and had succeeded in extending its influence over the schools. The leaders have now been arrested and jailed. Among them are generals, chief inspectors, office directors, school directors, and teachers.

TRANSFER POPULATION FROM BORDER -- Izmir, Anadolu, 29 Jul 51

Belgrade, 28 July (Turkish News Agency) -- The Rumanian government has begun to transfer to the interior of the country the people settled along the Rumanian-Yugoslav border, especially in the Banat area. Trains carrying people from Timisoara and Turnu Severin to the Barakand /Turkish approximation of Rumanian name/ concentration camps are constantly passing through Bucharest.

The Timisoara Command reportedly is also employing the people of the Banat area in the construction of fortifications there. In this connection, launching sites for radio-controlled V-2-type missiles are being constructed on the Oitij hills, /probably Hateg/ in the vicinity of Caransebes.
